Terms & Conditions

The **Rhysley Pvt Ltd** is providing you with a laptop computer with preloaded software for use in conducting the official business of your office. This agreement governing its use must be signed by you. Your signature acknowledges receipt of the laptop and your agreement to abide by the policies and procedures described in this agreement.

1. Any duplication of licensed software, except for backup and archival purposes, is a violation of the software license. The software programs provided by **DELL** such as WordPerfect, may not be installed on any other computer. **Serial no. – HFFRZQ2 .**
2. If you own or purchase software that you want to use on the laptop, you should request the office staff to install the software. Failure to properly configure your software to coordinate with the software supplied by the office may result in the laptop not functioning properly. The office will install only properly licensed software.

3. Office staff will periodically review the software installed on the computer in order to maintain and upgrade the system.

4. The laptop is the property of **Rhysley Pvt Ltd**. and is for office use only. Placing stickers, writing on, engraving, or otherwise defacing/marking the laptop or case are prohibited. The laptop should always be used under the employee's supervision. The assigned employee assumes responsibility for the actions of others while using the laptop.

5. The assigned employee assumes the responsibility of security and care of the laptop. If the laptop is lost, stolen, or damaged while on or off official hours, the incident MUST be reported within 24hrs to the head of the organization.

6. Laptops that are lost, stolen or damaged will result in financial loss to the organization. If it is determined that the loss or damage of the laptop is the result of the employee's failure to comply with laptop security guidelines, the employee assumes full financial responsibility for the assessed equipment. For other instances of loss, theft or accidental damage, employees will be responsible for an amountable fee

7. Employee is responsible for the confidentiality and security of organizational information on the laptop.

8. Assigned laptops can remain with employees as long as they remain active, full-time eligible employees of the **Rhysley Pvt Ltd**. who are not active, full-time eligible employees must return the laptop. Additional exceptions to this rule include cases where an employee leaves the organization and/or assumes an administrative position. If you change organization, you must hand over the laptop to HR and get acceptance for same. Any software purchased by the organization remains the property of that organization and should be uninstalled by the user
